** See reverse side of sheet*

Agreement

* If no fault is found with returned item, or the part is not covered by warranty due to misuse or incorrect installation, diagnostic time is billed to the customer at \$100 + GST per hour. If a detailed description is provided of the fault above together with any available data this diagnostic time will be reduced significantly.

Forward replacements for returned parts are not provided; if immediate replacement is needed then a replacement can be purchased and credit will be given if the warranty claim is accepted by the manufacturer/distributor.
